Amendment 12

Official Plan of the Regional Municipality of Ottawa-Carleton

Purpose

The purpose of Amendment 12 is to extend the Proposed Transitway corridor on Schedule E eastward along the Queensway (Highway 17) in the Township of Cumberland. The corridor is being extended through the Orleans Town Centre, past Regional Road 57. The transitway corridor is also being extended southward, east of Regional Road 57 (Trim Road), to Regional Road 34 (St. Joseph Boulevard).

Basis

The Proposed Transitway corridor is being extended eastward to be in accordance with policies 19 and 20, Part 11 of the Regional Official Plan, which state Council's intent to extend the transitway system to the Orleans Town Centre. The extension will also contribute to achieving the desired peak hour transit share of 40% for the Green Creek screenline as adopted by Council and expressed in Policy 12, Part 11 of the Regional Official Plan.

The Amendment

1. Schedule E, Transitway Route, is hereby amended by the extension of the Proposed Transitway eastward and southward as shown in Schedule "1" attached.
